Content Marketing • Copywriting • Social Media Marketing • Meta Ads • Google Ads / PPC
Email Marketing • Lead Generation • Google Analytics 4 (GA4) • Google Search Console
Web Development • AI-Powered Marketing • Campaign Performance Reporting • Online Presence Audit

PROFESSIONAL EXPERIENCE

Web Developer | SEO Expert | Bsoft Developers

Jan 2022 – Present

- Developed and maintained 20+ responsive websites and web applications, improving page load speed by up to 40% and ensuring seamless user experiences across desktop, tablet, and mobile devices.
- Led technical and on-page SEO initiatives, including keyword research, site audits, schema markup implementation, and content optimization, contributing to a 70% increase in organic traffic and improved search rankings for targeted keywords.
- Leveraged Google Analytics 4, Google Search Console, Ahrefs, and SEMrush to track website performance, uncover growth opportunities, and deliver actionable insights that increased website visibility and user engagement by 50%.
- Built and optimized high-converting landing pages, implementing conversion rate optimization (CRO) strategies that improved lead generation rates by 35% and reduced bounce rates by 25%.

Digital Marketing Executive | Bright Future Academy

June 2022 – Dec 2023

- Managed and grew social media channels across Instagram, Facebook, and LinkedIn, increasing audience engagement by 140%.
- Designed and executed email marketing campaigns achieving a 28% average open rate, surpassing the industry benchmark.
- Reduced cost per lead by 35% through continuous campaign optimisation, budget reallocation, and audience segmentation.
- Produced SEO-optimised blog content and landing pages that secured first-page Google rankings for multiple target keywords.
- Collaborated cross-functionally with the admissions and content teams to align marketing output with institutional goals.

KEY PROJECTS

Bsoft Technologies

- Performed a full technical SEO audit and implemented on-page optimisations for 20+ organizations and individuals..
- Developed a content calendar aligned with high-intent keywords, resulting in an 85% increase in organic traffic within 6 months.
- Secured featured snippet placements for multiple competitive search queries for clients.

Student Recruitment Campaign — Bright Future Academy

- Designed and managed multi-channel paid advertising campaigns on Meta (Facebook & Instagram) and Google Ads.
- Generated over 200 qualified student inquiries while reducing cost per acquisition by 30%.
- Implemented retargeting sequences to nurture leads from awareness through to enrolment inquiry.
